Combat SystemAs Empress your troops will follow your lead on the battlefield You can surround the enemy forces or direct your army's strength to the heart of the action.

Allied ForcesThe King of neighboring Orsas Empire is your ally and joins you on the battlefield.. You do not have the able to manipulate or direct allied troops as they will engage the enemy according to their own judgement.. Configure your elite troops including:Warriors: These are your base elite troops and can be changed to the other three classes.

ly/2NKSQC1Mirror ->->->-> http://bit ly/2NKSQC1About This GameCheck out this battlefield management game from Japanese indie developer Studio GIW.. The strength of your troops will increase as the war progresses Use your gold to buy and trade for weapons and magical rings.. Mages: Have the ability to attack from a distance using magic Mummies: Have high attack and defense powers but move slowly.. Battles can be won by allied forces but you will get more points by killing the enemy yourself.. Ninjas: Your fastest fighters move quickly and can attack by throwing a shuriken. e828bfe731 [Mejor Sitio Para Mac Juegos](#)
